

Florida Sterling Council

Benchmark with Great Companies
POS-IMPACT LLC

Background Info

Phil Centonze, Co-Founder & Managing Partner of **POS-IMPACT LLC**, has been an individual member of the Sterling Council since 2002, and a Master Examiner with 13 years experience on the Board of examiners.

POS-IMPACT LLC staff has over sixty years of leadership and management experience

in manufacturing, government, and other organizations across sectors and industries. The company advises and guides organizational leaders in performance improvement, strategic planning, and team-based process management to improve competitiveness and the way they do business.

Key Competencies

Phil Centonze and **POS-IMPACT LLC** bring to the Sterling Council, a number of competencies to increase the effectiveness of the Council. Among these are included the performance improvement perspective of

manufacturing and other businesses and their needs, a large network of manufacturing and industry organizations, and planning, performance improvement, problem solving, and team skills.

Benchmarking

POS-IMPACT LLC best practices include a team-base approach to implementing the Florida Sterling Management Model, training and implementation of Process Management and Improvement techniques including a highly effective hands-on training workshop that kicks-off the cultural mindset change oriented to performance improvement, and a

practical and structured approach to Strategic Planning.
