Dear Superintendent:

I would like to encourage you to attend the **2nd Annual Florida's Education Summit - "Race to the Top: Strategies at Work,"** May 31, 2011 at the JW Marriott Orlando Grande Lakes, where you will hear educators discuss processes they have implemented and the results they achieved. Dr. Harvey Silver will be one of the featured speakers addressing teacher effectiveness.

In Miami-Dade County Public Schools, we are currently working with Dr. Silver on teacher effectiveness training in 45 schools. Dr. Silver's work focuses on learning styles and differentiated instruction, and he is well known in the education community as a dynamic presenter. I know you will find Dr. Silver both engaging and informative.

Let's take this opportunity to share our knowledge and strategies to help improve student learning. I encourage you to look at the agenda, choose the most appropriate leaders, and register today. Race to the Top funds can be used for this educational opportunity.

I look forward to seeing you in Orlando on May 31.

Sincerely,

Alberto Carvalho
Superintendent of Schools
