#### **KEYNOTE SPEAKER**

***Roland Martinez, Deputy Director, Florida Department of Health in Broward County***  
*2018 Governor's Sterling Award Recipient*

#### ***Taking the Next Step...To get to the Next Level***

All organizations are on a journey, but the path isn't always clear especially in times of transition. We will explore the answers to questions like "What is your why?"; How do I evaluate and improve what we do?"; and "How do I know if anything we do is working?"; Whether you are a start-up or a mature organization that is decades old, this presentation will provide a path forward to help you and your leaders leverage the Sterling Criteria for Performance Excellence and begin or take your organizational journey to the next level.

#### **WHAT IS THE STERLING SOUTH FLORIDA SUMMIT?**

It is the premier one-day high performance learning event in the state of Florida that features management best practices from 10 public and private organizations and businesses.

Attendees will choose from nine workshops, with an opportunity to attend three workshops during the day. Each workshop session is 90 minutes of applied best practice learning. Speakers will share their expertise, facilitate a hands-on exercise, and provide a tangible take away tool or technique that you can use to improve your organization. Experience first-hand why attendees rate overall workshop satisfaction at 4.6 out of 5.

Join us at 8:00 am for check in with coffee and networking at this beautiful location, hosted by the Miami-Dade Parks, Recreation, and Open Spaces Department. Do not miss the wrap up of the day presented by their team of dedicated employees that will be assisting you throughout the day.

#### ***WORKSHOPS • BEST PRACTICES • KEYNOTE SESSION***

**REGISTRATION FEE - \$259 per person (Includes Coffee and Lunch)**
